

# What is banking?

Find out at **UBS Explore**

Did you always want to know how banking works? What does a client advisor do? And an investment banker? Do you want to know how to start your career in financial services? If you want to find out, come to UBS Explore and talk directly to our employees.

The "marketplace" is the place where you can talk with current trainees from plenty of divisions such as Wealth Management, Investment Bank or Corporate Center. You'll also be able to put your CV to the test with a professional CV-check. In the meantime senior representatives will show you how their businesses work in short presentations.

Are you interested? Apply (with your CV) by October 9 at [ubs.com/explore-graduates](https://ubs.com/explore-graduates)
