## Women Tech Boot Camp

### Dive into the digital world

**Intense Teaser Days: 27 March or 3 April 2020 | Full Day, Place: Zurich**  
**Boot Camp: 21 - 30 April 2020 (except Sat/Sun) | Time: 13:00-19:00, Place: Zurich**

### The future of work is digital

Participate in the 3rd edition of the Deloitte Women Tech Boot Camp and develop new skills for a job in the booming, ever-evolving field of digital.

At the Women Tech Boot Camp, **you will learn about** data analytics, coding, digital strategy, and **will get introductions to** robotics and cybersecurity. You will initially attend a **one-day introductory teaser day**. If you convince us during that day, we will invite you to the official **two-week Tech Boot Camp**. Once you've completed the boot camp, you will **know the basics** of entering the digital world and will be able to **'talk tech' with ease**.

If you demonstrate your enthusiasm and potential to us, you'll have the **chance to interview** for an internship or permanent position in one of our technical or digital teams at Deloitte.
